MAN SOURAH

The Seventh Crusade, undertaken principally by Louis IX of France and his followers, landed in Egypt. At Mansourah a city on the right bank of the Nile, they encountered the MUSSULMANS and although victorious the first day, they were shortly afterward captured and made prisoners.

1250 & 1450 AD

This marked the final,
w Postclassic period of
MAYA fluorescence in the
lowlands prior to the
16th century Spanish
Conquest.
